Wednesday 15th May 2024

Dear Parents / Carers,

This year, we will be taking part in National Numeracy Day on Wednesday 22nd May 2024 in school. This focus day has the motto of '**Building brighter futures through confidence with numbers.**' Which is something we also support and aim to do through our teaching of Maths at Woodsetton.

On this day we will also be celebrating Elmer Day in school. Get ready for the most colourful day of the year! Elmer Day will be an extra special celebration for Elmer's 35th birthday this year, with hundreds of events happening in schools, nurseries, libraries and bookshops around the country, and all over the world!

As we celebrate these events in school, children in **Pathways 3 and 4** can come dressed in anything that reflects **Maths** and or numbers if they wish to. For example, this could be clothing with numbers on or dressing up as someone who uses Maths in their jobs and everyday lives (this list is endless). Throughout the day we will be taking part in lots of fun activities that involve Maths and promote learning and enthusiasm for the subject. I will also be sending a list of activities and home learning ideas that you can use with your child to promote this too. Children in **Pathways 1 and 2** are invited to come into school wearing **bright and patterned clothes** to celebrate the individuality of Elmer. We will be holding an assembly to celebrate Elmer day and children will take part in activities in their classes.

Yours sincerely,

Becky Gibbons
Assistant Headteacher

Clare Guest
English and SLCN Lead
