24th October 2024

Dear Parents/Carers,

Just a reminder that the children break up for half term on **Friday 25th October at 3pm.**

We would like to thank you for supporting us this week with the roadworks outside school to ease the congestion and making it safer for everyone commuting to and from school. We hope that the improvements, alongside the spaces on the church car park will make the area around the school site safer for our pupils and their families.

Just a reminder that we are monitoring absences and pupils coming in late to school on a regular basis. We will be contacting individual families to offer advice and support with any concerns as part of the changes to Government policy for 'Working together to improve school attendance'. This will be reported to Governors termly.

On the back of this letter the events have been updated for the rest of the autumn term. More details will be shared on Parent Hub for each event. **Please make sure you return your parents evening replies by tomorrow for Wednesday 6th November.** Can you also return the slip if you cannot attend so teachers can offer other parents an alternative time if needed?

(There will be no after school club on this date)

We would like to thank Mrs Baldwin in Caterpillar class for leading the class for maternity cover. We would also like to welcome back Miss Drake as Caterpillar class teacher. We hope you have a lovely half term break and we look forward to the pupils returning on **Monday 4th November at 9am.**

Kind Regards

Mrs S. Allen
