Dear Parents/Carers,

Tomorrow, pupils will be spending time in their new classes as well as meeting their new teacher and support staff as part of transition for the next academic year.

There will be a slight restructuring of our classes next year to ensure pupils are grouped appropriately to achieve the best possible outcomes during their time at Woodsetton. Pupils will be grouped with peers of a similar age and cognitive ability and will receive a curriculum which best supports their individual needs. The new class structure also considers pupils social and emotional development.

Each class bridges two-year groups in sync with our two-year curriculum cycle. Pupils next steps are clearly mapped out within a 'route' structure, however there is flexibility for pupils to move between 'routes' depending on their progress.

Route A – Caterpillars → Hedgehogs → Ladybirds → Bees

Route B – Moles → Hedgehogs/Woodpeckers → Frogs → Squirrels

Route C – Badgers → Woodpeckers → Owls → Butterflies

Year Group	Classes	Teacher
