Dear Parents / Carers,

This year, we have decided to again support both our own school families and also the Black Country Foodbank from our school Harvest Festival. As I am sure you all know, the current climate is hitting a lot of families around the country hard and the cost of living crisis is having a huge impact on everyone. It has been said that **'Around half (51%) of adults across Great Britain say they are spending more than usual to get what they normally buy when food shopping'**.

With this in mind, we are asking for support and donations for our Harvest Festival to help others, but only if this is possible for you. One item makes a big difference if this can be spared and donated. We are requesting items such as: **dried packet foods, tinned foods (soups, fruit, ready meals, fish), small jars of coffee, breakfast cereals, cartons of long-life milk and juice and toiletries.**

We are hoping to again create parcels that we can share with our families and people who need them. The remaining items will then be sent to the Black Country Foodbank. If you or someone you know would benefit from a parcel, please complete the slip below and send back to school by **Thursday 3rd October**. Can we also ask that donations are sent into school by this date also.

Yours Sincerely,

Becky Gibbons
Assistant Headteacher
