Preparing for Adulthood Event

We are delighted to announce that The Brier School will be hosting a Preparing for Adulthood Event on Friday 13th November 2026.

We know that effective, timely and supportive transition planning is incredibly important for young people with SEND. Our aim is to help families and students understand the opportunities available after school and make the transition into adulthood as smooth and successful as possible.

We would like to invite families from both The Brier School and Woodsetton School to join us and explore what the next steps could look like for their child. Whilst the event is primarily aimed at families of students in Years 9-11, we recognise that many parents and carers wish to begin planning much earlier, so this invitation is open to other families.

Event Details

Friday 13th November 2026
